Chapter 1 by ChromeOS

One night officer Maverick Jones was out on patrol like every night. The night was quiet in the small town of Gig Harbor. Suddenly a loud scream broke the silence. Officer Jones rushed into his patrol car and raced to the origin of the scream. It was at a small one story house in the suburbs, a lady about in her late 20's to early 30's was standing next to a dead body. At least two more police cars and a few news vans showed up at the scene. An officer interrogated the women and she told him that the man who's name was Fred O'Connor was dead when she got to the house and she was out with friends when he had died. There was barely any evidence left by the killer at the crime.
